

COMMUNITY CENTER LETTER

Subject: Request for Community Educational Space

Dear Community Center Director,

The Digital Citizens Network is seeking a location for free public educational programs focused on civic engagement, media literacy, citizen journalism, and community research initiatives.

Our volunteer organization seeks to create constructive opportunities for community members to learn, discuss local issues, and participate in educational activities.

We respectfully request information regarding:

- Meeting room availability
- Facility use policies
- Public event scheduling
- Volunteer opportunities
- Partnership possibilities

We believe this initiative can contribute positively to civic awareness and community involvement.

Thank you for your consideration.

Respectfully,
