

LIBRARY PARTNERSHIP LETTER

Subject: Request for Community Meeting Space and Educational Partnership

Dear Library Director,

The Digital Citizens Network respectfully requests the opportunity to utilize available public meeting facilities for civic education, community discussion, citizen journalism workshops, and public policy awareness programs.

Our organization is a volunteer-led educational and informational initiative focused on increasing civic participation, media literacy, research skills, and constructive public engagement.

Activities may include:

- Educational presentations
- Legislative information sessions
- Research workshops
- Citizen journalism training
- Community discussion forums
- Technology and media education

All events are intended to be free and open to the public.

We are committed to complying with all library policies regarding room reservations, conduct, publicity, and facility use.

We would appreciate information regarding:

- Meeting room availability
- Capacity limits
- Reservation procedures
- Technology availability
- Public event requirements

Thank you for your consideration and your continued support of community education.

Respectfully,
