

DIGITAL CITIZENS NETWORK

MEDIA KIT

MISSION

The Digital Citizens Network exists to promote civic education, citizen journalism, public research, legislative transparency, and community engagement through decentralized media and volunteer participation.

WHO WE ARE

The Digital Citizens Network is a volunteer-driven media and information network that provides educational resources, public policy research, citizen reporting, podcast, newsletters, public discussions, and community events.

CORE OBJECTIVES

- Educate citizens on legislative and public policy issues
- Promote civil public discussion
- Support citizen journalism
- Encourage community participation
- Create publicly accessible research
- Foster transparency and accountability
